Dear Parents/Guardians:

Registration for the 2017-2018 School Year will be held at the Pinckneyville Junior High on Friday July 14th from 8:00 A.M. – 3:00 P.M. and on Monday July 17th from 10:00 A.M. – 6:00 P.M. This year the District will convert to a new student management system. One of the features will enable bill pay capability for book fees and student breakfast/lunches. Unfortunately the new system will not be fully installed in time for registration. We will use biometric finger scanning to access student accounts. During the registration process parents will be asked to give permission for their child (ren) to access the system. The actual form is available on the District's website @ www.jrpanther.com . Select the Biometric Parent letter option. We hope this system will both streamline the process and become very convenient for parents to use.

Enjoy the rest of your summer,

Tim O'Leary
Superintendent
